NEW STORE & STOCK.

We might as well call this an entire new store and stock, for since resuming possession we have added our load after our load of the newest, lightest and freshest products of the leading furniture manufacturers in America; nor could we have bought at a more opportune time, for we found manufacturers exceedingly anxious to sell, and secured the bulk of our purchases at considerably less than the prices which prevailed earlier in the season. We are giving you the benefit of our good fortune by quoting prices here beyond any possible competition in this city.

Box Couches, \$8.50
We have had made to our special order 6 patterns of 3 ft. by 6 ft. Box Couches, covered in French cretonne, muslin lined, tufted seat, spring edge, round French roll. Such a couch ought to sell for \$12 readily.

Mattings, 13 1/2c.
In putting in Mattings we were not satisfied with the few dozen pieces, but bought a stock which will compare favorably with any in the south. We also recognize the fact that in order to get our own else matting trade we must understand them, and are so doing.

Arm Rockers, \$2.60
We have known the time when we would have been glad to get such a Rocker to sell for \$5. Today we offer them at almost half, viz.:
500 Heavy Large Arm Rockers, sole leather seat, polished finish, attractive shape, in curly hick, antique oak and \$2.60 imitation mahogany.

Big Drive in Iron Beds.
We took half a car load to get them at our price; probably as many as any two furniture stores in the city. The prices speak for themselves. Here is a hint:

White Enamelled Iron Beds, brass mounted, heavy 15-inch post, ought to be \$3 per cent more than these prices:
3-ft. Iron Beds, \$6.25.
3-ft. 6-in. Iron Beds, \$6.50.
4-ft. Iron Beds, \$6.75.
4-ft. 6-in. Iron Beds, \$7.

Chamber Suites, \$17.50.
Even within your recollection you have paid \$20 for the equivalent of this Chamber Suite. It is now but a little more than half.

3 Large Solid Oak Pieces, finished with light French (not German) plate mirror, neatly carved, swivel dresser and wash stand, highly polished, and is by far the greatest bargain in Chamber Suites we have ever known.
